

nerves shaky?

That is a serious condition unless you are well along in years. It often precedes a severe nervous breakdown. The best tonic for the nerves is a good supply of rich red blood.

Dr. Williams Pink Pills for Pale People

are a non-alcoholic tonic especially suited for nervous, run-down people. They build up the blood and strengthen weak nerves.

MICHELIN

Notice the curve in which Michelin Tubes Naturally Hang

INSTEAD of being simply a piece of straight tubing cemented at the ends, the Michelin Tube is formed on a circular mandrel in the shape of the inside of the casing. This when inflated it is neither stretched on its outer side nor compressed into destructive wrinkles next to the rim. This perfect fit gives the Michelin Tube greater durability and practically eliminates danger of pinching the tube.

BENNINGTON BRIEFS

News of the Town and Village Told Briefly for Busy Readers

Don't forget the Band Dance tonight at Forester's Hall. Adv.

The Y. M. C. A. team will play the first game of the season with Burr and Burton at Manchester Saturday afternoon. Game called at 3:15. Members of the team should meet at the Y. at one o'clock. The trip will be made by auto.

If the weather permits planting will begin on the school plot on the Everett property tomorrow. The North Bennington high school plot has also been put in readiness for the seed and the students in that village are also looking for sunshine tomorrow.

Sunday evening at the Second Congregational church John Spargo will speak on "Prohibition as a War Emergency Measure." Mr. Spargo has made more than an ordinary study of this question, and was recently one of the group leaders who waited upon the President with an appeal. Many in Bennington will be interested to hear him on this question.

Arrangements are being made for a patriotic meeting to be held at the opera house next week. The gathering is open to the public generally and it is hoped that every man and woman in Bennington who can possibly do so will make it a point to be in attendance. The details for the meeting are not yet completed but a number of speakers have been engaged and a musical program is being arranged.

Miss Mary Butler, who has been connected with the Bennington telephone exchange during the past ten years, the last four as chief operator, will leave the employ of the company tomorrow night as she is soon to be married. Miss Butler entered the employ of the company soon after graduating from school in 1905. During her six years on the board and since her promotion she has given the highest satisfaction both to the company and to the patrons of the exchange. She has been courteous, patient and industrious and her resignation will be regretted by all who have had business with the operating room of the exchange. Miss Butler will be succeeded by Miss Bessie Dick, an experienced operator who comes here from Burlington with an excellent record for efficiency.

WEST RUPERT

Sam Hay has purchased a new Grant Six touring car, price \$9.50.

Jay Beebe has been drawn on the petty jury at the June term of county court at Manchester.

Collins Hopkins has bought an automobile.

Marcus Waters has resigned his position at Jennie Beebe's for whom he has worked for some time. Mr. Waters has accepted a position with Frank Sheldon.

Helen Trumbull has returned from Umbagog where she has been spending some time visiting relatives.

Miss Emily and Frank Hawley have returned to their home here after spending the winter in Cleveland, Ohio, and other points in the West. Many friends welcome their return.

Mrs. L. Vail is visiting her son, Edwin Vail, and other friends here. Mrs. Vail is 88 years old and has spent the most of her life in Rupert.

Charles W. Sherman has purchased a cow milking machine and expects it to arrive every day.

Miss Mary D'bbens is on the sick list.

Marcus Waters is soon to remove his family to Frank Sheldon's tenement back of the school building.

Monday evening, about 8 o'clock, the wind commenced to blow and before morning it turned almost into a tornado. Trees were blown over and back yards were cleared of the polls, buckets, etc., and scattered along the highways.

EAST ARLINGTON

Regular meeting of Red Mountain Lodge Friday, June 1.

Mrs. E. D. Stone is suffering a severe attack of rheumatism.

Ralph Sherwin, who has been ill with a cold, is able to be about again. Archie Robertson, Jr., who has been ill with measles, is able to be out again.

Mrs. M. Wiswell of Bellows Falls is visiting her daughter, Mrs. O. H. Burt of this place.

Mr. and Mrs. G. A. Warner and their son, Oliver, are spending a few days in Pittsfield, Mass.

Mrs. Anton Schwarzkopf, who has been visiting her brother, Rev. J. G. Robinson at Hampton, N. Y., returned home Sunday.

Mrs. Carry Henry of North Bennington, who has been spending a few days in town, visiting her niece, Mrs. M. A. Burt, returned home Friday.

It is expected that we will soon have a new industry in this village. One of the best known glove manufacturing companies in the country, who now have factories in Gloversville, Schuylerville and Granville, N. Y., would like to open another here. At a mass meeting held at Forester building the board of trade and Foresters decided to meet the requests of the glove company to remodel the floor of the Forester building, now used for amusements, to fill their requirements for a glove factory. They expect to employ from fifty to sixty girls at first and any girls who wish to secure this kind of employment send in your names to Fred Black of Arlington or Robert Shuffleton of East Arlington. The work is piece work and the company's representatives claimed that the average girl makes \$14.00 per week after getting used to the work.
